Dawn mentioned that flag football is becoming more popular and asked if we could possibly get equipment for it and substitute the game for one of the weekly activities.

John is looking into the possibility of having a bus drop off summer school students and encouraging parents for speak up for it to happen.

Dawn mentioned that 8-10 years ago there was an Outdoor Academy that was established through grant money and she had spoken to principal, Brett Cancredi to reach out to John about the possibility of the Rec Department obtaining what is left.

John noted that the seasonal laborers had already been approved by the Council. Playground supervisors have been reduced from 6 to 5. Three are returning and there are two new hires. All lifeguards are returning. The Fire Department and the money from the Polar Plunge are helping with paying for lifeguard recertification. Rec Center specialists are all returning.

Jon has discussed the possibility of a state grant to install a splash pad. He would like to visit Newburgh's splash pad to get ideas.

ACT will be using the Youth Center and Riverside Park for rehearsing and shows throughout the summer. They would also like to use the Youth Center for a small production in August.

The Port Jervis Middle School will be using Riverside Park for their field day on 6/6 and Candy Cane will be using it for their graduation on 6/7.

Forward UK Soccer will be holding a soccer camp at Riverside Park 7/15-7/19 9:30am-12:30pm.
