Public Comment: *(5-minute limit per person)*. None

Approval of the Minutes: Minutes were approved Motioned by Misty Fuller and Seconded by Colin O'Connell all in favor.

Fire Chief's Report:

Old Business:

- AFG Grant is on hold
- The Station Design Meeting is still set for May 20-22
- Apparatus replacement is waiting on the Bond
- Nothing new on the Staton RFQ and is still with the Common Council.
- Nothing new with the cameras at the Training Center
- Lexipol is doing well and moving forward.
- Rescure 3 still no firm offers
- There was a discussion about plowing the roads to Point Peter. The city will not plow Pt Peter. There was a discussion about closing it during snowy weather, Since the season is over this topic will be brought up in the fall.

New Business:

- February Run sheets are included

- Pumo testing will be done March 22
- S-1 got the exhaust system filter installed.
- Emergency Networking is going slow because of pushing the data back and forth from 911
- Hose and Ladder testing will be done on April 5th
- Live fire scheduled for March 29th and April 15th.
- Training is being done on the Porta Count fit testing machine

Emergency Management/ Vehicle Maintenance Report:

Old Business:

- Still waiting on KME for Truck 7 repairs
- E-5 had to be towed to Long Island. There was a lengthy discussion on the problems and the repairs needed. As well as a long discussion about the frequency of when vehicles are replaced throughout the city.
- Reservoirs are slowly coming up. They are at 75%.
- There is still issues with the phone in the Emergency Management Office. There was also a discussion about phone bills for 2 locations (21 Ferry St and 10 Rt 209) where there is no phones.

New Business:

Fire Inspector

No report given

Public Comment: *(5-minute limit per person)*

Adjournment: 7:08 pm

- 46 Hammond St, egress blocked, violation resolved.

Tickets Issued

-None

Existing Parcel Issues Resolved

- 28 Cole St, sprinkler system broken, repaired, tested, back in service.

Existing Parcel Issues in Progress

- 100 Pike St
Multiple horn/strobes damaged from weather, I am working with the owner and the alarm company to remedy the issue.
- 160 East Main St, Bon Secours. It was brought to my attention that there is supposed to be a radio communication system installed for the fire department.
- 61 Front St, Hotel. I am working with the owner to make sure there is a radio communication system for the fire department.
- 290 East Main St KFC
I am working with the building owner to come up with a plan to minimize nuisance alarms in the bathrooms.
- 47-49 Front St
The sprinkler system froze and broke due to the weather. The system has been tagged out of service until the renovation is complete.
- 28 Cole St
The sprinkler system froze and broke due to the weather. The owner was instructed to post a fire watch until the system is back in service.
- 39 Church St, Silk Mill
There have been constant nuisance alarms past and present. I am working with the home owners association to have a new alarm system installed.
- 140 Hammond St, Cornerstone Family Healthcare
I am working with management to have the fire alarm system devices report the proper location to the panel.
- 75-85 Pike St I am working with the building owner and the fire chief to come up with a plan for a more fluent response to emergencies.
- 140 Hammond St, Cornerstone Family Healthcare. I am working with the manager and the alarm company to have the panel read correct locations of devices.

Other/Miscellaneous

- Annual In-Service Training
- Interviews for part time building inspector position.
- Created fire safety inspection checklist.
- Created fire alarm plan review and acceptance checklist.
