Present: Mr. Hockenberry, Mr. Oney, Mr. Vicchiariello, Mr. O' Connell, Mrs. Fuller, Mr. Duryea, Mr. Addy

Public Comment: None

Public Hearing: None

Approval of the Minutes: None

New Business:

Mr. Duryea provided the committee with an update on the Glass Street project.

Loose leaf pickup is projected to start the first week of November.

Mr. Addy informed the committee the electrical shed would be installed later this month.

Mr. Duryea and the committee discussed blacktop, line striping, the arrival of a new dump truck, DRI streetscape project, water treatment upgrades and the EFC sewer relining project.

Mr. Duryea held a lengthy discussion regarding mold in the DPW administrative building. He provided the committee with results of an air test that was recently completed. They discussed options including, working from home, renovations, cleaning costs, record keeping and storage and trailer rentals.

Old Business –

Mr. Duryea stated we are expected to receive 2 pick-up trucks and 1 dump truck next year.

Public Comment: No Public Comment

Adjournment:

Motion by Mr. Hockenberry, seconded by Mrs. Fuller to adjourn the meeting at 6:37 PM.
