DPW Committee Meeting February 5, 2024

Meeting called to order at 6:00 pm by Chairman Hockenberry

Attending were, Director Duryea, Asst Director Addy, council members Mann, Fuller, O'Connell and Vicchiariello

There was no public comment.

There were no public hearings.

There were no minutes available from the December meeting.

There was number executive session.

New business

Staffing issues were discussed including 2 workers out on disability. We discussed the open electricians position and decided to post the job description for a period of 2 weeks beginning about feb 19th to obtain applications.

We also discussed the open city mechanic position but no action was taken at this time.

We discussed the emergency repair to the Wagner Street pump station as one of the pumps went bad last month. There was an estimate obtained from Edward J Albert and son Inc for \$26,546.85 and is a soul source repair. This repair was previously authorized by CAL Hockenberry as an emergency repair.

Director Duryea brought up the purchase of a utility Dump with a spreader that had been budgeted under the clerks capitol plan. Director Duryea was told not to make any purchases as we do not know the citys current financial status and the clerk/treasurer is unable to get me the budget information I requested.

Director Duryea did order a street sweeper, that was approved last year. The cost is between 306-318 thousand and will take a year to receive delivery of.

The dpw will he using collected scrap metal to purchase t-shirts for their employees as they have done in the past.

The meeting closed at approximately 6:35

Councilman at Large

Michael Hockenberry
