Port Jervis Common Council

January 22, 2024

Presentation: DRI Update and At-Grade Railroad Crossing at Fowler and 4<sup>th</sup> St.

Valerie Maginsky, Executive Director, Port Jervis CDA

Greetings and Good Evening –

I'm here tonight to present a brief update on the Downtown Revitalization Initiative, and in particular, the proposal for an at-grade railroad crossing at Fowler and Fourth St. between the downtown and Riverside Park for which a public hearing has been scheduled for February 14th here in Port Jervis.

In late October the DRI Local Planning Committee completed its review of the projects submitted and approved 13 projects totaling almost \$12 million for inclusion in the DRI Strategic Investment Plan. Written by the DRI planning firm Nelson, Pope Voorhees, the Strategic Investment Plan has been submitted to New York State for review and consideration.

Copies of the Strategic Investment Plan will not be available until the State has announced its selections which are anticipated for Spring 2024.

Currently, these projects include:

Four Public Improvement Projects

Two New Development Projects

Five Redevelopment/Restoration Projects

One Small Project Fund

One Branding and Marketing Project - led by the City.

Of the \$10 million grant, and minus payment of \$300,000 to the consultant, \$9.7 million dollars remain to be allocated. Therefore, since almost \$12 million in projects were submitted, not every project listed will receive funding.

Should the small project fund be awarded, there will be a new round of applications opened to each project that previously submitted as well as any new projects.

Again, we will not know until the state announces the approved project list in this hopefully in the spring.

Now, to concentrate on the at-grade railroad crossing between the downtown and Riverside Park.

As many of you are aware the city has sought a legal public crossing at this location for many years.

Port Jervis Common Council

January 22, 2024

Presentation: DRI Update and At-Grade Railroad Crossing at Fowler and 4<sup>th</sup> St.

Valerie Maginsky, Executive Director, Port Jervis CDA

Through the DRI project review both an at-grade and an overhead pedestrian bridge were discussed. For multiple reasons including cost, maintenance, and maintaining a clear view, an at-grade crossing was by far the preferred solution.

Currently blocked by simple metal farm gates which are easily gone around, this crossing is actually a private crossing with emergency access to Port Jervis first responders. For special events, railroad personnel would open and oversee pedestrian crossings. Otherwise, walking across the tracks is a safety hazard and is actually considered to be trespassing.

Having the designation of the crossing changed from private to public would allow the city to install a mutually agreed upon designed crossing.

Design options range from basic striping and signs with fencing to channel people to the crossing to adding bells, arms and lights, and up to the inclusion of magnetic gates. The DRI estimate for this project is up to \$635,000.

The petition requesting this change via a hearing was approved by the previous council and submitted to NYS DOT by the project engineer in early December.

Since then, twenty-four letters carrying 30 signatures ranging from Orange County government officials including County Executive Steven Neuhaus and our local Orange County Legislator Thomas Faggione, new Common Council members, Port Jervis CDA Board members, various Port Jervis department heads and business owners and local residents were sent in support of holding the hearing and the consideration of a public crossing.

This information was received and accepted and now a hearing has been scheduled.

The New York State Department of Transportation will hold the public hearing, currently referred to as case number 7029, on February 14th from 11 AM to 4 PM here in the Council Chambers.

With all participants in person, the Honorable Dustin B. Howard, Administrative Law Judge, New York State Department of Transportation will preside over the hearing.

Testimony will be provided by the City representatives Mayor Cicalese, Assistant DPW Director Addy, and Peter Melewski, project engineer. Metro North railroad personnel and NYS DOT staff will also testify and Norfolk Southern has the option of attending and has thus far deferred to Metro North.

Though a virtual Zoom session will be available for viewing, in the words of NYS DOT, the public is also invited to speak at the hearing for up to three minutes each.

Port Jervis Common Council

January 22, 2024

Presentation: DRI Update and At-Grade Railroad Crossing at Fowler and 4<sup>th</sup> St.

Valerie Maginsky, Executive Director, Port Jervis CDA

At this time, I will stress that not only is the public invited to speak, but rather it is of the utmost importance that you, the public, does attend, and does speak.

If unable to speak, then just come and watch the proceedings.

Those prepared to speak may bring what they plan to say written on paper, and if the proceedings are going too long, you may present your paper to the clerk to be included in the record.

If you have already supplied a letter of support, the suggestion is if you speak, you add some new commentary based on the public hearing session.

Any questions?

Noted: Legal Counsel Frank added that Judge Howard has the authority to extend the hearing to another day.

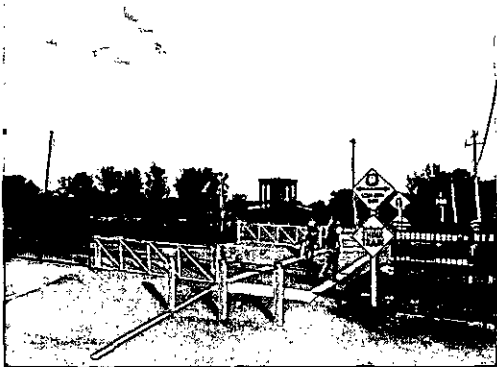

Otherwise, the council requested a copy of the petition submitted and E.D. Maginsky provided same via email on 1/22/24.

**RESOLUTION OF THE COMMON COUNCIL OF THE CITY OF PORT JERVIS  
DECLARING A VEHICLE TO BE SURPLUS PROPERTY AND AUTHORIZING THE DISPOSITION  
OF SAID VEHICLE**

**WHEREAS**, the City of Port Jervis acquired the vehicle listed below for use by the City Police Department;  
and

**WHEREAS**, said vehicle is no longer serviceable without extensive repairs that exceed the cost of the vehicle's  
worth; and

**WHEREAS**, it is no longer necessary for the City to retain said vehicle for the purpose for which it was  
acquired, thus making it an item of surplus; and

**WHEREAS**, it is the desire of the Common Council to declare said vehicle to be surplus property and to trade  
in the vehicle and receive a \$500.00 credit towards the purchase of a replacement vehicle,

**NOW THEREFORE, IT IS HEREBY**

**RESOLVED**, that the Common Council of the City of Port Jervis hereby declares the following vehicle to be  
classified as surplus property to wit:

**2002 GEM Battery Operated Limited Use Vehicle  
VIN #: 5ASAG27422F029127,**

and it is further

**RESOLVED**, that the City Chief of Police, or his designee, is hereby authorized to dispose of the aforesaid  
vehicle by trading same in for a minimum trade-in credit of \$500.00 to be used towards the purchase of a  
replacement vehicle.
