Laura quick-present

objectNew Business Steven reported: Pike Street sidewalks on going. With great weather project is progressing quickly. There was some damage to one building and will be repaired. Some steps were also taken out and will be replaced.  
RFP for more sidewalks – Canal Street behind Farnum House and to the Overpass and underpass,  
Blacktopping will commence shortly.  
Curb cut will be done as soon as possible and will be cordoned off with a yellow chain.  
Bagged leaves will be picked up every Monday until completed.  
Weekend overtime is needed to catchup with line painting and grass maintainace, this will be for aprox, one month.  
Phase 2 sidewalk discussion.  
Orange Square fountain. Wayne discussed how the fountain is losing water every day. He is looking into repairs and has looked into Royal Contracting. He will get an estimate to completely reline bowl. This may not cost the city anything, may be able to be included in the Crist Grant. Sound

system did not qualify. Wiring can be done but not sound system.

There is approx. \$26900.00 left.

Discussions on trenchless 2 being able to be contracted.

Trenchless 3 and whether to apply. Concession was to wait.

EFC Loan. Laura stated there is another grant also being sought.

Old Business: Steve discussed the hiring of Water Treatment Personal and Mechanic.

Stan asked about Engine 5s and the Fire Police's aprons. Steve said they are both on the schedule to be done.

Stan also asked for tree limbs in Orange Square to be pruned. Wayne will have this taken care of.

Maria asked about the dump tickets. Laura reported only 2 have been purchased.

No Public Comment: none
